

Please look at our CMO pricing model below for clients who wish to have a more full-service model.

BENEFITS:

- **Annual Savings:** If you hire someone in-house, you are looking at an average yearly salary of \$88,779 annually. The below pricing works out to \$67,068 per annum, resulting in a cost saving of 24%
- **One person in-house versus seven:** Our offering would give you access to 7 team members.
- **Expertise:** Five of those seven members have over 17 years of experience in their specific field of mastery.
